

Drew Morrisroe Appointed to Board of Nat'l Health Care Nonprofit, Help Hope Live

Blue Bell, PA - February 2023 – Help Hope Live, of Radnor, is pleased to announce the appointment of Drew Morrisroe, President & CEO of CTN Solutions, to its board of directors. The national nonprofit provides trusted medical fundraising support to help relieve the financial burden of high medical bills for families facing catastrophic illnesses or injuries.

"We are thrilled to have Drew join our Board," said Kelly L. Green, Executive Director for Help Hope Live. "His expertise in IT and his personal connection to our cause strengthens our community as we continue to explore and evolve the technology and tools we use to carry out our mission."

"It is a privilege for me to join Help Hope Live in their mission of supporting families with unplanned medical expenses and the related costs associated with a major health event," said Drew Morrisroe. "I hope to support HHL's leadership and team as we continue to advance their important mission."

About Help Hope Live

Help Hope Live was founded in 1983 by a Philadelphia transplant surgeon and his wife, a nurse, to help patients access lifesaving heart transplants, then considered experimental and not covered by insurance. Today, the nonprofit engages communities nationwide in secure, tax-deductible fundraising campaigns for people who need a transplant or are affected by a catastrophic injury or illness. Celebrating 40 years of service, Help Hope Live has raised over \$172 million to pay patient expenses and is ranked nationally in the top 1% of all U.S. charities.

About Drew Morrisroe

Drew Morrisroe is an innovative entrepreneur and senior executive leader with more than 25 years of success across the technology, not-for-profit, higher education, and healthcare industries. He currently serves as a member of the board of trustees of Thomas Jefferson University and Jefferson Health, and chairman of the board of Mid Atlantic Employers Association.

About CTN Solutions

CTN Solutions is a leading IT services provider headquartered outside of Philadelphia with clients across many industries throughout the United States and internationally. CTN supports organizations with talent recruitment, cybersecurity, managed IT services, and compliance. At various times throughout their history, they have been recognized as one of Philadelphia's 100 fastest growing privately-held companies and have received industry awards including CRN's MSP 500 and Pioneer 250.
