EASY TO SUBMIT BILLS

KEEP YOUR MEDICAID

Because Help Hope Live maintains discretion over the funds you raise, they likely won't jeopardize your eligibility for asset-based assistance programs. You should check with your state Medicaid office to be sure.

Our **mission** as a national nonprofit is to support community-based fundraising for people with unmet medical and related expenses due to cell and organ transplants or catastrophic injuries and illnesses.

Help Hope Live has discretion and control over the use of all donated funds. Donations made in honor of a specific individual, or in response to campaign solicitations, are restricted by region only and do not obligate Help Hope Live to allocate funds toward a specific individual, as the IRS might deem such donations to be private gifts. Clients receive support according to medical and financial need.
