INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Help Hope Live, Inc.

Opinion

We have audited the accompanying financial statements of Help Hope Live, Inc. (a nonprofit organization), which comprise the statements of financial position as of September 30, 2022 and 2021, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Help Hope Live, Inc. as of September 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Help Hope Live, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Help Hope Live, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Help Hope Live, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Help Hope Live, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

September 30, 2022 and 2021

(1) NATURE OF ORGANIZATION

Help Hope Live, Inc. (the "Organization") was incorporated in 1983 and engages communities to organize, launch and sustain grassroots fundraising campaigns for uninsured medical expenses related to transplant and catastrophic injury and illness. Help Hope Live, Inc. helps families in financial crisis related to medical bills through a proven structure that both raises funds and pays uninsured medical expenses. Help Hope Live, Inc. also provides educational and emotional support.

(2) SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting and accordingly, reflect all significant receivables, payables and other liabilities.

Basis of Presentation

The Organization reports information regarding its financial position and activities according to the following classes of net assets:

Without donor restrictions

Net assets that are not subject to donor-imposed restrictions.

With donor restrictions

Net assets that are subject to donor-imposed restrictions that will be satisfied by actions of the Organization and/or the passage of time. When a restriction is satisfied, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as "net assets released from restrictions."

Also included in this category are net assets subject to donor-imposed restrictions that require the net assets to be maintained indefinitely while permitting the Organization to expend the income generated in accordance with the provisions of the contribution. There were no such net assets as of September 30, 2022 and 2021.

Estimates

The presentation of financial statements in conformity with U.S. generally accepted accounting principles ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investments

Investments are recorded in the statements of financial position at fair value, as determined based on quoted market prices. The fair value of alternative investments has been estimated using the net asset value per share. Cash equivalents classified as investments are short-term, highly liquid investments with original maturities of three months or less. Realized and unrealized gains and losses are included in the statements of activities. Dividend and interest income is recorded as earned.

The Organization invests in a professionally-managed portfolio that contains various types of securities (**See Note 4**). Such investments are exposed to market and credit risks. Due to the level of risk associated with such investments, and the level of uncertainty related to changes in the value of such investments, it is at least reasonably possible that changes in the near term would materially affect the investment balances and the amounts reported in the financial statements.

NOTES TO FINANCIAL STATEMENTS

September 30, 2022 and 2021

Fair Value Measurements of Assets and Liabilities

GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability (i.e., the "exit price") in an orderly transaction between market participants at the measurement date. GAAP establishes a fair value hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the most observable inputs be used when available. Observable inputs are those that market participants would use in pricing the asset or liability based on market data obtained from sources independent of the Organization. Unobservable inputs reflect the Organization's assumptions about the inputs market participants would use in pricing the asset or liability developed based on the best information available in the circumstances. The fair value hierarchy is categorized into three levels based on the inputs as follows:

Level 1 – Valuations based on unadjusted quoted prices in active markets for identical assets or liabilities that the Organization has the ability to access. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these assets and liabilities does not entail a significant degree of judgment.

Level 2 – Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly.

Level 3 – Valuations based on inputs that are unobservable, that is, inputs that reflect the Organization's own assumptions.

Equipment and Improvements

Equipment and improvements are stated at cost, if purchased. Contributed equipment and improvements are recorded at fair value at the date of donation. The Organization capitalizes all expenditures for equipment in excess of \$1,500. Expenditures for major renewals and betterments that extend the useful lives of the equipment are capitalized. Expenditures for maintenance and repairs are charged to expenses as incurred. Depreciation is computed based on the straight line method over the estimated useful lives of the equipment and improvements ranging from 3 to 7 years.

Contributions

Contributions, including unconditional promises to give, are recognized as revenue when the related promise to give is received. Contributions of assets other than cash are recorded at their estimated fair value at the date of donation. Conditional promises to give are not included as revenue until such time as the conditions are substantially met.

Donations without restrictions received from the public are classified as "without donor restrictions" and are used for the Organization's general activities and for assistance grants to clients who have met the requirements listed in the Organization's client application. Donations, which are designated for a specified geographic region, are classified as "with donor restrictions." These donations are used exclusively for client assistance grants for uninsured transplant and catastrophic injury related expenses in those respective regions.

In-Kind Contributions and Donated Services

The Organization records donated services that create or enhance nonfinancial assets and that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. The Organization records the value of contributed goods when there is an objective basis available to measure their value. In-kind contributions are included as support in the accompanying statements of activities at their estimated values at the time received.

NOTES TO FINANCIAL STATEMENTS

September 30, 2022 and 2021

Numerous volunteers have donated their time and services to establish client campaigns in regions throughout the United States. No amounts have been reflected in the financial statements for these services since they do not meet the criteria for recognition in accordance with accounting standards for such donated services.

Income Tax Status

The Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code.

GAAP requires entities to evaluate, measure, recognize and disclose any uncertain income tax positions taken on their tax returns. GAAP prescribes a minimum threshold that a tax position is required to meet in order to be recognized in the financial statements. The Organization believes that it had no uncertain tax positions as defined by GAAP.

Concentration of Credit Risk

The Organization maintains its cash balances in financial institutions with insurance provided by the Federal Deposit Insurance Corporation. At times, these accounts may exceed the federally insured limit. Management does not believe there is a significant credit risk with these institutions.

Functional Allocation of Expenses

The costs of providing the various program and supporting services have been summarized in the accompanying statements of activities and functional expenses. Accordingly, certain expenses have been allocated among the programs and supporting services in reasonable ratios determined by management.

The financial statements have certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. Expenses that are allocated based on estimates of time and effort include payroll, payroll taxes and benefits. Expenses that are allocated based on the percentage of direct costs include office supplies, occupancy, telephone, technology services and insurance.

(3) LIQUIDITY AND AVAILABILITY OF RESOURCES

The following reflects the Organization's financial assets as of the statement of financial position date, which has been reduced by financial assets not available for general operations within one year.

	<u>2022</u>	<u>2021</u>
Cash Investments	\$ 1,447,137 	\$ 2,185,369 23,419,900

Total financial assets available within one year for general operations	\$ 4,107,130	\$ 8,662,813

NOTES TO FINANCIAL STATEMENTS

September 30, 2022 and 2021

Liquidity Management

The Organization manages its liquidity and reserves following three guiding principles: operating within a prudent range of financial soundness and stability, maintaining adequate liquid assets to fund near-term operating needs, and maintaining sufficient reserves to provide reasonable assurance that long-term obligations will be discharged. The Organization regularly monitors liquidity required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds.

The Organization has various sources of liquidity at its disposal, including cash, money market funds, fixed income securities, equities and alternative investments.

(4) INVESTMENTS

NOTES TO FINANCIAL STATEMENTS

September 30, 2022 and 2021

- (a) This category includes investments in a pooled investment fund that seeks to improve overall portfolio diversification, outperform equities during bear markets and earn a competitive risk-adjusted return over a market cycle. The fair values of the investments in this category have been estimated using the net asset value per share. There are no initial lock-up restrictions at September 30, 2022.
- (b) This category includes investments in a pooled investment fund that seeks long-term capital appreciation principally through investing in investment funds managed by third-party investment managers which employ a variety of alternative investment strategies. The fair values of the investments in this category have been estimated using the net asset value per share. There are no initial lock-up restrictions at September 30, 2022.

(5) ASSETS AND LIABILITIES MEASURED AT FAIR VALUE ON A RECURRING BASIS

NOTES TO FINANCIAL STATEMENTS

September 30, 2022 and 2021

Paycheck Protection Program Loans

On April 24, 2020, the Organization received loan proceeds in the amount of \$235,500 under the Paycheck Protection Program ("PPP"). Established as part of the Coronavirus Aid, Relief and Economic Security Act ("Cares Act"), the PPP provides for loans to qualifying businesses. PPP loans and accrued interest are forgivable after a "covered period" (eight or 24 weeks) as long as the borrower maintains its payroll levels and uses the loan proceeds for eligible purposes, including payroll, benefits, rent and utilities. The forgiveness amount will be reduced if the borrower terminates employees or reduces salaries during the covered period.

The Organization has complied with the terms of the program and payment relief was received in 2021. Therefore, this amount has been recorded as an increase in net assets on the statement of activities in the year ended September 30, 2021.

In February 2021, the Organization received loan proceeds in the amount of \$239,193 under a second PPP. Terms for forgiveness are the same as the loan received in 2020. The Organization has complied with the terms of the program and payment relief was received in 2022. Therefore, this amount has been recorded as an increase in net assets on the statement of activities in the year ended September 30, 2022.

(8) NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions are predominantly available to pay uninsured medically related expenses for clients accepted into the program. Expenses may include items such as: hospital and doctor bills, deductibles and co-pays, medical insurance premiums, medications, home medical supplies/equipment, home healthcare, client lodging related to treatment, home accessibility, accessible transportation and continued uninsured therapy and treatment. Investment income earned from assets with donor restrictions and administrative fees are used to defray the administrative costs of client services. Investment income including gains and losses earned on investments are recorded as activity without restrictions. Administrative fees are deducted from donations designated for client grants based on the fee percentage applicable to the type of donation received and are included in general contributions without donor restrictions on the statements of activities.

Net assets with donor restrictions are available and were released from restrictions for the following purposes and periods as of and for the years ended as of September 30, 2022 and 2021:

	Sept	September 30, 2021		Additions		<u>Releases</u>		September 30, 2022
